Dear Sir:

After the Notice of Allowance dated 11/19/2009, the Applicant submits a Request for Continued Examination (RCE) further to 37 CFR 1.114. The submission required for the RCE includes an information disclosure statement (IDS) and amendments to the claims.

The following is submitted under 37 CFR 1.56 (Duty to disclose information material to patentability). A complaint was filed on 11/12/2009 in the Eastern District of Texas by Mass Engineered Design Inc. and Jerry Moscovitch alleging infringement of Mr. Moscovitch's Patent No. Re36,978. (The complaint is included in the IDS and is appended hereto.) After filing this complaint, applicant received a package from Damon A. Neagle, a representative of Innovative Office Products, Inc. Material in the package is cited in the IDS and a copy thereof is appended hereto.

Also cited in the IDS is material received from Matthew J. S. Graham, attorney for Ergotron, Inc. A copy thereof is provided herewith.

The applicant would like to make the Examiner aware of pending Application No. 11/941,646, corresponding to Publication No. 20080117578, by Jerry Moscovitch.

The applicant would also like to make the Examiner aware of pending Application No. 12/696,929 by Jerry Moscovitch. A copy of this application is submitted herewith.

Because of the large size of the files submitted for the Examiner's review, the applicant intends on making multiple electronic filings today.

Amendments to the Claims are reflected in the listing of claims, which begins on page 3.
